

Schiller International University
European Scholarship Program

Scholarship Guidelines for Master's Degree Programs in Europe

1. Approved award will be a 15% scholarship off the published tuition rate in the student's first Term [or off prevailing tuition rate in future as applicable]. The student must maintain a minimum GPA of 3.0
2. Applicants must meet the University's entrance requirements and must be enrolled in a Term, as defined in the Schiller International University [SIU].
3. The 15% scholarship will be earned and awarded on a course-by-course basis, up to a maximum of six courses - which must be taken within the student's first two Terms.
4. A student becomes ineligible for a Schiller scholarship at any point in a given Term if his or her GPA drops below 3.0
5. No scholarships will be awarded to students who are recruited by, and sent to SIU from, a Schiller International University Partner Agent.
6. The scholarships program and any awards will apply to new students only, or to eligible SIU undergraduates who apply for a Master's degree program.
7. Scholarship awards are not transferable from campus to campus.
8. Scholarship applications will be reviewed and approved by a Scholarship Committee at each European campus. Scholarship awards are limited and cannot be guaranteed to all eligible students.
9. Scholarship recipients would be limited to a maximum of one 15% scholarship; they could not receive multiple scholarships from different categories.
10. Schiller International University reserves the right to amend or cancel its scholarship program at any time without prior notice.
