

## Health Insurance

Students are encouraged to maintain personal health and accident insurance through an employer or an independent provider. The University does not offer any type of insurance coverage for students.

While Schiller International University does not endorse and/or recommend any specific website or insurance business, here are a few organizations our students have used in the past:

[www.studenthealthusa.com](http://www.studenthealthusa.com)

[www.internationalstudentinsurance.com](http://www.internationalstudentinsurance.com)
