

Associate of Science in International Hospitality and Tourism Management

International Hospitality and Tourism is one of the fastest growing sectors in the service and business industries

Learn to run Hotels, Restaurants, Travel Agencies...

Gain the professional knowledge and skills necessary for a career in Hospitality and Tourism management. From operating a hotel, resort, and/or restaurant to leading leisure and recreational activities, there are thousands of job opportunities in this fast-growing and ever-evolving industry.

Schiller International University's unique program offers the opportunity to study at campus locations both in Europe and the United States. Students completing this degree must complete the Associate of Science course requirements (60 credits) in International Hospitality and Tourism Management.

Typical related careers:

-  Tourism Marketing Manager
-  Hotel Manager
-  Restaurant Manager
-  Lodging Manager
-  Meeting and Convention Planner

I cherish my memories and my experience from SIU! The international faculty and large mix of nationalities among students have prepared me to grow my career anywhere in the world. Mixing with and understanding various cultures while you are still a student helped me grow and become a better person, and this is exactly what Schiller offers - multicultural experience and sharing best practices from different countries.

10 years after graduating I am now living in Dubai, UAE, working for a global company and traveling the world. Truly greatest 10 years of my life, wouldn't change one bit.

Viktoriya Soubra, Country Manager
at Travelliance

2003, MBA, London Campus
